

ISO 45001 / health & safety (OHS) management system.

March 30th 2022

MELEXIS Technologies NV hereby confirms that it has established an integrated Management System according and compliant to latest revision of IATF 16949 and ISO 14001, certified by DQS. Latest Melexis certificates are available on our website (www.melexis.com) for download.

Melexis put a high focus on wellbeing, WE CARE is one of our core values.

Awareness programs, safety training, exercises, compliant with local regulations and continuous improvement is already in place.

Certified by:

Vincent Vanzeveren

Quality Manager
